ABOUT R.G. BULLCO USA LEATHER BELTS

R.G.BULLCO Leather Belts were born from a need in the market for a high quality leather belt that is made in the USA with top quality thick cut long lasting solid leather that would cost the consumers about the same as the faux leather (fake plastic leather) that are imported from other countries.

R.G.BULLCO Leather starts with a thick cut of premium cowhide that is 9oz. to 10oz. thick or 3/16" thick solid one piece leather we then craft them into all our different patterns and styles giving the consumers a USA Made High Quality, Durable, Long Lasting Leather Belt that is very affordable for all types of consumers.
