

Don't Ever loose a Shopping Cart Again.

WELCOME TO THE SHARE CART INFO PAGE

Below is a typical shopping cart. You have the ability to Share this cart with someone, or make a link that you can use to keep a record of a cart. This could be a cart that is full of collars and if you bring it up, it makes re-ordering them so much easier. You would just edit the cart and enter order

1. Make a copy of a cart so you can re-use it at a later time or just for safety reasons, you may want to be sure you don't loose a cart.
2. Make a copy of a cart filled with particular items that are ordered frequently. When you

Welcome! This is the Shopping Cart Check-out.

This is where you will see items in your cart. They can now be edited one last time before placing the order. Any product discount or cart discount will be shown here.

COUPON CODE: Enter your coupon code here if you have one. Coupons will begin being offered in 2024.

SHARE CART: This button makes a copy of your entire cart and shows a link that can be saved or emailed. To see the cart again, place the cod into the address bar while logged in, and your cart will re-appear. Great for stores that work on orders over days or stores with multiple locations.

EMPTY CART BUTTON: This button will remove all items in the cart.

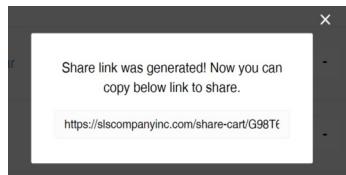

Thank you so much for shopping with us. We really appreciate your business.
