**Welcome to the Interactive PDF version of the SLS Catalog.**

This version of the catalog, unlike the printed version, is completely interactive.

**CLICK ANY IMAGE OR HIGHLIGHTED TEXT**, and you will immediately be linked to the identical item on the SLS Website. Find out more info on an item, see pricing, inventory levels, and place an order in seconds.

We want everyone to enjoy the capabilities of this catalog version.  
Here are a few tips.

1. **The PDF Catalog will be updated monthly.** Each month the PDF Version will change to the newest version possible.
2. The newest version of the Catalog can always be found on the SLS Website **HOMEPAGE**.
3. Once opened, most PDF Viewers will offer one or two page view. For Two Page View, Check this in Settings (3 dots, top right). You may find the Two Page view covers more ground.

Also, most PDF Viewers offer a **SEARCH BAR**. It may be hidden. If so, push CTRL and the letter F simultaneously and the **SEARCH BAR** will appear. **CTRL+ F**

**THE SEARCH BAR IS BLAZING FAST. IT WILL FIND ANY WORD YOU CHOOSE. IF THERE ARE MULTIPLE ITEMS WITH THE SAME NAME, KEEP CLICKING FOR YOUR PRODUCT.**

4. If you are unhappy with your current PDF viewer, or you prefer to keep a link to the Catalog on your desktop computer, we recommend the APP [iLovePDF](http://iLovePDF) website and app. From this site, you can download their **FREE PDF viewer** that has a visible **SEARCH BAR** and easy to follow menu. [Download here!](#)

**POT BELLED PIG**

**Potbellied Pig Food**

Complete feed. High in digestible proteins, energy and fiber, it also contains a source of yucca extract that eliminates the smell of ammonia.

## St. Croix Horseshoes

### Plain

This shoe became an industry standard for a solid everyday application. The generic pattern allows for easy front or hind shaping while the dimensions offered excellent durability and reset options. Punched for CH5 nail.

Size 0 20PR 27210122  
Size 00 20PR 27210121  
Size 000 20PR 27210120  
Size 1 20PR 27210123  
Size 2 20PR 27210124  
St. Croix Forge

### Lite

#### Easily Shaped into a front or hind pattern

Take the proven design of the St. Croix Forge Plain and make it slightly thinner to reduce some weight, and you have the St. Croix Lite shoe. The generic pattern is easily shaped into a front or hind shoe. This shoe is designed for versatile use and punched for CH5 nails.

Size 0 20PR 27211442  
Size 00 20PR 27211441  
Size 000 20PR 27211440  
Size 1 20PR 27211443  
Size 2 20PR 27211444  
St. Croix Forge

### Heel

This heeled shoe is based on our generic shaped Plain model. The addition of the heels provides added traction in a variety of different terrain. This shoe is punched for a CH5 nail.

Size 0 10PR 27210327  
Size 00 20PR 27210321

Size 2 10PR 27210329  
St. Croix Forge

### Lite Heel

This heeled shoe is based on our generic shaped Lite model. The addition of the heels provides added traction in a variety of different terrain. This shoe is punched for a CH5 nail.

Size 0 10PR 27211326  
Size 00 20PR 27211321  
Size 000 20PR 27211320  
Size 1 10PR 27211327  
St. Croix Forge

### Lite Rim

Providing exceptional traction in a lightweight all-purpose shoe is what the Lite rim is designed to offer. Built on the successful St. Croix Forge Plain shoe and nail pattern, this reduced weight and increased traction shoe is a favorite in western sport horses.

Size 0 20PR 27211452  
Size 00 20PR 27211451

Size 1 20PR 27211453  
Size 2 20PR 27211454  
St. Croix Forge

### Toe & Heel

The Toe and Heel model is ideally suited rough terrain, providing excellent traction with the specifically designed heel caulks and toe grab. These not only provide grip but additionally protect the shoe from excessive wear. This shoe is punched for a CH5 nail.

Size 0 10PR 27211426  
Size 00 20PR 27211421
